General Pulling Rules For Tractor, Semi, and Pickup Pull

General Rules for All Classes

- No alcoholic consumption before pull.
- Pull at your own risk.
- Promoter and its agents are not responsible for any breakage.
- Judges Decisions are FINAL.
- All drivers must attend Drivers Meeting before Pull.
- Be prepared to pull when your class is called, not responsible for missed pulling opportunity.
- First puller of each class may be used as test puller to set "sled". Puller may either take or decline it, before being "unhooked". If declined, pull will be measured regardless of distance. The re-pull will be in last position.
- No entry fee. \$10 per person admission fee.
- No pre entry. Enter at announcer's stand on day of pull.
- Must be 16 years of age to enter.
- Pit Gate opens at 4:00 pm
- Everyone pulls that comes.

Pick-up Pulling Rules

- Hitches no less than 36% of pick-up wheelbase, from point of hitch to center of rear axle.
- Hitch shall not exceed 26" in height.
- **(Street Legal Only)** Must be stock appearing except for three changes, i.e. headers, intake, carburetor, traction bars.
- Open Headers are allowed in all classes.
- Maximum tire size 33 x 12.5x 16.5 for all classes.

Tractor Rules

- Stock block or factory replacement, must bolt to clutch housing without modification
- Only one fuel allowed, no pressurized LP booster, or nitrous oxide allowed
- Any tire size is allowed, duals allowed in 16,000 and 20,000 lb classes
- Tractor must have hitch for skid hook min 3 inch diameter, or suitable clevis
- Tractor hitch 18" from center of rear axle and 20" height

Semi Rules

- Legal Hitch height must be maintained through the pull.
- Two turbo Maximum in open class (20,000 lb class)
- Hitches used are to be those provided by the promoter
- Hitch height is 46"
- No split rims allowed
- Semi Tractors only
